

National conference, November 10-12, 2001, Saturday to Monday

Saturday:

7:30-8:30 PM Reception

Sunday:

7:30 AM Breakfast
8:30 AM Keynote - Janik
9:00 AM Pinchot - Nadine initial findings
9:20 AM Presentation of findings - MPW, LS, JF
9:40 AM Break
10:00 AM Panel - There will be five panel members who will each discuss a topic.
12:00 Lunch
1-3 PM Participants break into 6 groups of ten people. Each group reviews the following three questions and designs courses based on information provided from panel members, Pinchot and curriculum project focus group findings. The objective of the breakout session is to have groups create course models that can be published for future use by graduate programs.

- What courses should be included in a graduate major in sustainable forest management?
- How can other departments across campus link to forestry in a way that complements sustainable forest management education?
- What complementary opportunities exist on campus and innovative teaching methods would complement sustainable forest management education?

3:00 PM Break
3:20-5:00 PM Breakout groups continue
5-6:00 PM Dinner

Monday

7:30 AM Breakfast
8:30 -10:30 AM Group reporting - groups report out to larger group. Each group has 20 minutes. Comments and critique.
10:30 Break
10:45 AM Breakout groups. Groups gather again to make final revisions and incorporate suggestions into their product.
12:00 Working lunch
1:00 PM Wrap Up
2:00 PM Adjourn
